Textbooks

Schwartz's Principles of Surgery
- Chapter 38. Thyroid, Parathyroid, and Adrenal

CURRENT Diagnosis & Treatment: Surgery
- Chapter 16. Thyroid & Parathyroid

Principles of Critical Care, 3e
- Chapter 80. Thyroid Disease

- Chapter 4. Papillary Thyroid Carcinoma
- Chapter 2. Goiter
- Chapter 3. Hyperthyroidism
- Chapter 1. Thyroid Nodule
- Chapter 5. Follicular Thyroid Carcinoma and Oncocytic (Hurthle Cell) Carcinoma
- Chapter 6. Medullary Thyroid Carcinoma
- Chapter 7. Anaplastic Thyroid Carcinoma, Metastases to the Thyroid Gland, and Thyroid Lymphoma

Quick Answers Surgery

Diseases
- Goiter, Simple or Nontoxic (Diffuse & Multinodular)
- Graves Disease
- Hashimoto Thyroiditis
- Hurthle Cell Neoplasms
- Hyperthyroidism, Non-Graves
- Hypoparathyroidism
- Multiple Endocrine Neoplasia Type 2 (MEN 2)
- Thyroglossal Cyst
- Thyroid Cancer, Anaplastic
- Thyroid Cancer, Follicular
- Thyroid Cancer, Medullary
- Thyroid Cancer, Papillary
- Thyroid Lymphoma
- Thyroid Metastasis
- Thyroid Nodule
- Thyroiditis, Acute Suppurative
- Thyroiditis, De Quervain, Subacute
- Thyroiditis, Riedel

Multimedia
Right Thyroid Lobectomy
手术程序步骤Procedures

- 向读者提供按照不同器官或者手术性质区分的21大类手术程序的指导，
  读者可以通过文字、图片、视频等形式来深入、直观的学习手术过程。
Procedures

Airway Management

- Bariatric
- Basic Technical Skills
- Body Wall
- Breast
- Cardiac
- Critical Care
- Endocrine
- Gastrointestinal: Colorectal
- Gastrointestinal: Upper
- Gynecology
- Hepatopancreaticobiliary
- Otolaryngology
- Pediatric Surgery
- Plastic Surgery
- Surgical Oncology

Airway Management

- Open Tracheostomy and Cricothyrotomy
- Percutaneous Tracheostomy and Cricothyrotomy
- Flexible Laryngoscopy
- Intubation
Groin Hernia Repair

Textbooks

- CURRENT Diagnosis & Treatment: Surgery
  - Chapter 32. Hernias & Other Lesions of the Abdominal Wall
  - Chapter 29. Small Intestine:
    - Hernia

- Schwartz's Principles of Surgery
  - Chapter 37. Inguinal Hernias:
    - History
    - Laparoscopic Complications
  - Chapter 39. Pediatric Surgery:
    - Surgical Repair

- Maingot's Abdominal Operations
  - Chapter 5. Hernias
  - Chapter 46. Hernia Repair
  - Chapter 48. Hiatal Hernia Repair and Heller Myotomy
  - Chapter 17. Bowel Obstruction:
    - Hernia
  - Chapter 3. Endoscopy and Endoscopic Intervention:
    - Figure 3–3. Retroflexed view of the gastric cardia and gastroesophageal junction. In this...

- Obesity Surgery
  - Chapter 2. Pathophysiology of Severe Obesity and the Effects of Surgically Induced Weight Loss:
    - Hernia Risk with Obesity

- Zollinger's Atlas of Surgical Operations, 9s
  - Plate 204. Repair of Ventral Hernia, Laparoscopic
  - Plate 205. Repair of Ventral Hernia, Laparoscopic
  - Plate 206. Repair of Umbilical Hernia
  - Plate 207. Repair of Indirect Inguinal Hernia
  - Plate 208. Repair of Indirect Inguinal Hernia
  - Plate 209. Repair of Indirect Inguinal Hernia
  - Plate 210. Repair of Indirect Inguinal Hernia
  - Plate 211. Repair of Indirect Inguinal Hernia (Shouldice)
